Subject: FOR COMMENT BY 12/14 - Oil & Natural Gas Extraction Compliance Assistance Portal
Attachments: FW: Oil & Natural Gas Extraction Compliance Assistance Portal

All –
OECA is asking for feedback on this portal: [web-based oil and natural gas extraction compliance assistance portal](#). See original email attached.

Was trying to access a Word version for edits ([One-Drive](#)) and it's still not working for me. If it doesn't work for you I am asking any of you who have comments to copy & paste relevant segments from the portal webpages and comment on those.

Would be ideal to get any comments by next Wed so Jim has a day or two to review.

Thanks,
Alan
